QUESTIONS FOR DIALOGUE ON

NEGOTIATION AND CONFLICT RESOLUTION

1. What things typically cause us to get into conflict with each other?
   How do we characteristically handle these conflicts?

2. How did the families we each grew up in handle conflict and anger?
   Typically make decisions?
   What similarities and differences from our style?

3. What particular decision or issue do we have not that we could talk about here and get feedback from the group?
