

BLESSINGS AND BURDENS OF CHILDREN

1. How has the gift of children blessed you?
What impact have children had on your marriage?
How has your marriage changed from life without children to life with children?
2. In what ways is parenthood the same or different than you expectations?
What are your thoughts and feelings about parenthood?
3. As parenting is a mutual journey of discovery, what do your children learn from you, and what do you learn from them?
4. What are your hopes for your children?
5. What legacies will be passed from one generation to the next?
