

## MARRIAGE CARE

### WORKING TOGETHER

1. Think about a project(s) the two of you worked on that stands out for you. (Something baked, built, made, presented, etc.) Why do you remember this event? How were your different approaches evident as you worked together? Did you delight in the other or disagree on how to do it?
2. Are there any things you would like to ask your spouse to change (in regard to working together) if he or she could?
3. What do you appreciate the most about your spouse when working on something together?
4. How do you see that you can complement each other in your future life together, your work, your home, and/or your ministry?
