

LOVE LANGUAGES

“THE FIVE LANGUAGES” BY GARY CHAPMAN

“We must be willing to learn our spouse’s primary love language(s) if we are to be effective communicators of love.” – Gary Chapman

Love Language #1: words of affirmation

Love Language #2: quality time

Love Language #3: receiving gifts

Love Language #4: acts of service

Love Language #5: physical touch

**My top two love languages are _____ and _____.

**My spouse’s top two love languages are _____ and _____.

**Describe a time when either I misread or my spouse misread the needed love language:

**Describe a time when either I was right on or my spouse was right on the needed love language:

**Think of ways both yourself and your spouse could provide cues to assist the other in knowing the needed love language:
